

# SHELL LOCAL GRANTS PROGRAMME

Grants of up to €5,000 are available for community and voluntary sector organisations in the Erris area.

The grant programme for 2017 is open for applications. The closing date is Friday 15th September 2017.

**Applications should be made using this form and include the relevant supporting information.**

## ASSESSMENT CRITERIA

Groups applying to the Shell Local Grants Programme will be assessed against the following criteria:

### 1. Sustainable

A sustainable project is one which is financially viable and solvent. It will continue to benefit the community following a contribution under the Local Grants Programme. Organisations must have access to other additional sources of funding.

### 2. Local

All organisations/projects should be in the Erris region. Priority will be given to applications from communities in close proximity to the Bellanaboy Bridge Gas Terminal.

### 3. Inclusive

The projects should demonstrate benefits to the community as a whole and not just to a few individuals. Priority will be given to initiatives which bring groups and individuals together in delivering their project/event, and who can demonstrate effective strategies to attract participation from all sections of the community.
