2.1 Submission of a signed paper Application or an electronic Application by the Principal Cardholder constitutes acceptance of these Terms and Conditions by the Principal Cardholder, on behalf of itself and any Associated Person in relation to which the Principal Cardholder has submitted an Application.

- 2.2 The Principal Cardholder may not, and shall ensure that Authorised Cardholders and/or Users do not, apply for any Card other than on behalf of itself and/or any Associated Persons.
- 2.3 In the event that the Principal Cardholder submits an Application for and on behalf of Associated Persons and/or discloses information to Shell about Associated Persons, the Principal Cardholder represents and agrees that it:
- (a) is liable for any transactions made using Cards that are supplied to such Associated Persons;
 - (b) has the necessary authority to act on behalf of the Associated Persons, is entitled to disclose information about the Associated Persons, and has any consent required to do so;

- 2.4 Reissue and/or 'resale' of Cards is not permitted.

3. Account Set-Up and Supply of Cards

- 3.1 The coming into force of this Agreement is conditional on the Principal Cardholder passing a credit reference check and/or any other check(s) reasonably required by and to the satisfaction of Shell. Should the Principal Cardholder fail to pass such check(s), this Agreement shall cease to have legal effect immediately following completion of such check(s). The Principal Cardholder will submit a completed Application to Shell. Where Shell wishes to accept such Application, Shell will set up the relevant customer account(s) and arrange for the production of the Card(s) encoded and embossed with the Cardholder's data, the production of a PIN, and the subsequent mailing of Card(s) and the PIN Mailer(s) to the Cardholder, where appropriate.
- 3.2 Shell may require any Applicant and/or Cardholder to: use account opening information sent to a verified address to activate a Card; provide physical forms of identification or other documentation/confirmations; or provide the name, address and other personal details of directors, shareholders, partners or other relevant person(s) for their identities to be verified. Shell may also contact the Applicant and/or Cardholder in order to carry out additional checks. The Principal Cardholder shall notify Shell, in writing and without delay, of any changes (set out in the Application or otherwise) to the details relating to it, its account and/or any Cardholder.
- 3.3 PINs will be produced by Shell, although the Principal Cardholder may specify any PIN via the Online Services, in which case the Principal Cardholder must ensure that a separate and appropriately secure PIN is set for each Card. Each PIN shall only be used by the relevant Cardholder and shall not be disclosed to any other person. The PIN must be memorised by the Cardholder and any document on which it was supplied destroyed. The PIN must not be kept in any other written format. The Principal Cardholder is liable for any failure to comply with these requirements, and will also be liable for the use of any Card with a PIN by any person, authorised or unauthorised, prior to actual cancellation of a Card.

- 3.4 All requests for additional Cards shall be made by a User via the Online Services. If an additional Card is requested, Shell may demand reasonable additional financial security. If the Principal Cardholder fails to provide such security Shell has the right to decline the additional Card request.
- 3.5 All delivery addresses for Cards (and any PIN Mailers) which differ from the addresses recorded on the Application must be confirmed by the Principal Cardholder via the Online Services. Shell may require the Principal Cardholder to provide proof of trading from such address. Replacement Cards will be sent to the Principal Cardholder's registered or principal address, as recorded on the Application (or updated by the Principal Cardholder by notice in writing to Shell).

4. **Card Use**

- 4.1 The Principal Cardholder shall use all reasonable endeavours to ensure that Cards are only in the possession of and only used by Authorised Cardholders. A Card shall not be valid unless the signature strip on the reverse of the Card has been completed in accordance with the instructions issued by Shell from time to time. Cards remain the property of Shell at all times and the Principal Cardholder shall promptly return any Card(s) to Shell at Shell's request.
- 4.2 The Cardholder can only use the Card:
- (a) if it is a current Card which has not expired, been cancelled, been stopped or reported as lost or stolen; and
 - (b) to obtain Supplies from a Card Scheme Participant; and
 - (c) to obtain Supplies as defined by the purchase category of the Card and within the geographical and network restrictions of the Card; and
 - (d) to obtain Supplies up to any Velocity Limit(s); and
 - (e) if the Cardholder inputs the PIN where required by the Card Scheme Participant.
- 4.3 The Principal Cardholder acknowledges that:
- (a) Supplies may be purchased directly from Shell whether or not Shell actually delivers the Supplies (the relevant Card Scheme Participant may physically deliver Supplies); or
 - (b) Supplies may be purchased from (and therefore invoices rendered by) a Card Scheme Participant rather than Shell.
- In all cases however, the Principal Cardholder is obliged to make payment for the Supplies to Shell.
- 4.4 It is the obligation of the Cardholder to collect and retain any Sales Voucher issued at the time Supplies are purchased. However, verification of the Authorised Cardholder's signature on the Sales Voucher is outside the scope of this Agreement. Cardholders may not leave Cards at a Card Scheme Participant's premises.
- 4.5 The Principal Cardholder shall ensure that each Authorised Cardholder complies with the Agreement and any procedural requirements of a Card Scheme Participant in respect of any Card transaction, that no Card remains in the possession of any person who has ceased to be an Authorised Cardholder, and represents and warrants that each Authorised Cardholder has been given authority to use the Card as a duly authorised representative of the Principal Cardholder.
- 4.6 Cards designated as Driver Cards or Vehicle Cards are issued as a management information tool. Such Cards do not provide additional security and, except as provided in Clause 6, the Principal Cardholder shall be liable for all amounts due under the relevant Card transactions irrespective of the driver or vehicle in respect of which the Supplies were made.
- 4.7 Where a Cardholder or a person purporting to be a Cardholder of a Card which has not been reported lost or stolen and who provides a credible form of identification obtains Supplies and either does not have the Card with them or the Card cannot be processed for any reason, such person may (at the discretion of the Card Scheme Participant) fill in an intent to pay form, promising to return to the Card Scheme Participant to pay for the Supplies within 7 days. Where such a person fails to do so, Shell shall be entitled to

treat the transaction as if the Card had been presented and successfully processed, such that the Principal Cardholder shall be liable for the Supplies and the amount outstanding in respect of such Supplies shall be added to the Principal Cardholder's next invoice.

- 4.8 Shell reserves the right to refuse any single Card transaction from time to time for any reason connected with Card or account security, and the Principal Cardholder hereby acknowledges and accepts that Shell shall not be liable in any way for such refusal. Notwithstanding any Velocity Limit(s) or other controls, the Principal Cardholder shall be liable for the use of any Card by any Cardholder save as expressly provided for in this Agreement, and (in particular) shall remain liable in respect of any Card transaction in the event of any failure by a Cardholder to comply with the terms of this Agreement.

5. Online Services

- 5.1 The Online Services enable Users to manage orders relating to their Cards, retrieve information regarding Card transactions, and to analyse such information using reporting facilities available within the Online Services.
- 5.2 The Principal Cardholder shall nominate (in writing) a User to be set up as an administrator of, and who will be able to add Users to, the Principal Cardholder's account(s). All Users will be allocated (via email) a Password and/or a User ID to enable them to use the Online Services.
- 5.3 The Principal Cardholder undertakes that Users are authorised to represent it, agrees that it is responsible for the safekeeping of Passwords and/or User ID's, and that it will (and will ensure Users do) comply with any instructions Shell may issue regarding use of the Online Services, including security measures such as Password changes. The Principal Cardholder is liable for the use of the Online Services by any person, authorised or unauthorised, who accesses the Online Services using any Passwords and/or User IDs issued to the Principal Cardholder.
- 5.4 The Principal Cardholder shall (and shall ensure all Users shall) report any malfunction of the Online Services to Shell without delay.
- 5.5 Whilst Users are entitled to review the data obtained via the Online Services and distribute it within the Principal Cardholder's organisation, Shell's prior written approval will be required for any other use (including reproduction or publication) of such data. Users are not permitted to make the Online Services, or any data derived from the use of such, available to any third party.
- 5.6 Shell reserves the right to
- (a) alter the format or content of the Online Services;
 - (b) undertake such maintenance, repair or improvement to the Online Services as may be required for their proper functioning, in which case it may suspend the Online Services (without notice in the case of an emergency) and/or give such instructions to Users as it deems reasonably necessary; and/or
 - (c) suspend the Online Services or deny any User access in the event of breach of this Agreement.
- 5.7 Shell Fleet Hub: It is understood and agreed that Shell Fleet Hub is a gateway through which Users can register for services that are provided directly to the Cardholders (via a separate contract) by Card Scheme Participants that are not members of the Shell Group. The service provided by Shell is limited to the facilitation the registration process, and Shell is not responsible for the delivery of these services or for the documentation that the User is required to complete in order to obtain the services. Further, the Principal Cardholder is responsible for the accuracy of the information provided in Shell Fleet Hub by the relevant User(s) as part of the registration process. Where a Card is cancelled (for any reason), any electronic device associated with that Card will also be cancelled.
- 5.8 Restrictions Tool: The 'Restrictions Tool' is a portal through which a User can, via Shell Fleet Hub, set restrictions as to the use of the Cards (in addition to those controls that are set by Shell). Additional Card and Service Charges will be payable in the event that

a Principal Cardholder chooses to use this tool. The Restrictions Tool is available only for acceptance networks using an online authorisation process, and is not available on toll or road tax acceptance networks. The Principal Cardholder is responsible for the accuracy of the information provided when the controls are set, and Shell cannot be held liable for any operational consequences following from the Principal Cardholder's choices. The Principal Cardholder shall inform Cardholders of the additional controls set, and shall ensure that the Alerts set in the Online Services are adjusted to reflect the additional controls that have been chosen. Any controls shall be effective within 24 hours from modification within the Online Services.

- 5.9 The Principal Cardholder accepts the Online Services and the data available via these services "as is" and any use of the Online Services shall be undertaken at the User's account and risk. Whilst Shell uses reasonable skill and care to ensure that the Online Services are available and the data provided via the Online Services is accurate and complete, it cannot provide any guarantee in relation such availability or data. Shell is not responsible for the consequences of changes made to Card functionality via the Online Services. Delivery of an Alert does not relieve the Principal Cardholder of liability for the use of any Card(s) that is(are) the subject of an Alert.

6. Cancellation of Cards and Principal Cardholder Liability

- 6.1 If a Card is lost, stolen, misused, remains in possession of a person who has ceased to be an Authorised Cardholder, or the Principal Cardholder wishes to cancel a Card for any other reason, the Principal Cardholder shall immediately notify Shell. Such notification may be made either via the Online Services, or by calling the Shell Customer Service Centre at 1800 261 5322
- 6.2 Where a Card is lost, stolen or misused, the Principal Cardholder shall provide Shell with all relevant information as to the circumstances of the loss, theft or misuse, and take all reasonable steps to assist Shell to recover the relevant Card(s). The Principal Cardholder must also notify the police of any loss, theft or misuse and obtain a police report, a copy of which must be provided to Shell. Where a Card remains in the possession of an Authorised Cardholder, the Principal Cardholder shall ensure that any cancelled Card is destroyed, and such destruction shall include cutting the magnetic strip on the Card (this also applies to any Cards that have been reported as lost or stolen, but are subsequently recovered).
- 6.3 Shell will cancel a Card once a cancellation request has been made via the Online Services or the Shell Customer Service Centre. The Principal Cardholder shall have no further liability for Card transactions made with the relevant Card after submission of such a request.
- 6.4 Shell may request the return of all/any Cards or cancel or suspend all/any Cards or Card accounts at any time without notice, or refuse to reissue, replace or renew any Card during any period in which:
- (a) fraudulent, illegal or unlawful use of any Card or Card account is suspected;
 - (b) Shell receives a credit reference in relation to the Principal Cardholder which in Shell's reasonable opinion is unsatisfactory; or
 - (c) any Cardholder is in breach of this Agreement.
- Where Cards or Card accounts are cancelled or suspended without notice, Shell shall notify the Principal Cardholder as soon as reasonably practicable. Where any Card account is suspended by Shell for any reason, all monies due from the Principal Cardholder to Shell shall become payable forthwith, and Shell may require the Principal Cardholder to make payment of such before the account is reactivated.
- 6.5 Any request for return or cancellation or suspension of a Card is made by Shell without prejudice to the Principal Cardholder's liability in respect of use of any Cards prior to the actual cancellation or destruction of the relevant Card.

7. Prices and Card and Service Charges

- 7.1 The amount to be charged for fuel is calculated by reference to the price mechanism set out in the Application, Appendix 2 (where used), or as otherwise agreed in writing between

the parties. Where a Principal Cardholder has agreed to or not opted out of the list price option, the amount to be charged per litre of fuel will be calculated against the prevailing price stated in the Shell list price portal (the "List Price"), which is available at <http://www.shellfuelrate.com> or such other URL as is notified to the Principal Cardholder from time to time (the "List Price Web Portal").

- 7.2 The amount to be charged for all Supplies excluding fuel shall be as specified in the Application or other written correspondence between Shell and the Principal Cardholder, or (in the absence of such specification) the relevant Card transaction value shown on the Sales Voucher or, where no Sales Voucher is issued at the time the service is provided, the amount shown on the relevant invoice. The amount to be charged for Supplies outside of Singapore shall if necessary be converted to Singapore Dollar at an independently verifiable prevailing rate of exchange determined by or on behalf of Shell (acting reasonably).
- 7.3 The scope and rate of any Card and Service Charges for which the Principal Cardholder shall be liable shall be set out in the Application, Appendix 2 (where applicable) or other written correspondence between Shell and the Principal Cardholder and may be amended from time to time at Shell's discretion. Further, Shell reserves the right at any time to impose an additional Card and Service Charge on Supplies purchased using a Card at non-Shell branded service stations, in which case Shell shall promptly notify the Principal Cardholder of any such charge. Use of a Card following notification shall constitute acceptance of the new Card and Service Charge.
- 7.4 All Card and Service Charges relating to the preceding invoice/statement period shall be added to the Principal Cardholder's next invoice/statement and shall be payable in accordance with Clause 9.

8. Invoices and Statements

- 8.1 Invoices and/or statements will be sent or made available to the Principal Cardholder at the billing period intervals determined by Shell from time to time. The invoice/statement will detail the Card transactions (including the amount charged for such) for the relevant billing period, together with any Card and Service Charges.
- 8.2 The Principal Cardholder will be automatically enrolled for electronic invoicing, whereby invoices/statements will be made available via the Online Services. In such circumstances, the Principal Cardholder specifically agrees to receive electronic invoices instead of paper invoices from any Shell Group company and/or Card Scheme Participant that is able and/or legally entitled to issue electronic invoices in the relevant jurisdiction. However, the Principal Cardholder may request to opt for paper invoices in lieu of electronic invoices. In the event that Shell chooses to accede to such a request, it may in its sole discretion levy a surcharge to cover additional administration costs. This charge will be advised to the Principal Cardholder in writing.
- 8.3 In the event a Principal Cardholder that is currently receiving paper invoices and/or statements seeks to transfer to electronic invoices and/or statements, this must be done by way of an application in writing.
- 8.4 Any queries concerning any invoice or statement, including but not limited to requests for copies of Sales Vouchers, must be in writing (whether submitted via the Online Services or otherwise) and be sent by the Principal Cardholder to Shell within 28 days of the date of the relevant invoice/statement.

9. Payment

- 9.1 Payment by the Principal Cardholder of any amount owed under this Agreement shall be made directly by the Principal Cardholder, in the currency set out in the relevant invoice and, unless agreed otherwise by Shell in the Application, shall be made by means of direct debit to the bank account nominated by Shell, such that funds are received into such account by the due date stated on the relevant invoice.
- 9.2 Settlement shall be in respect of the whole amount of all invoices due and owing at such

date. The Principal Cardholder may only use a third party to make payment on its behalf with Shell's prior written consent.

- 9.3 Without prejudice to Shell's right to terminate this Agreement, Shell reserves the right to charge interest on late payment and compensation for debt recovery costs to the maximum extent permitted under applicable law.
- 9.4 The Principal Cardholder shall be liable for a Card Charge for each unpaid direct debit or for any other method of payment which Shell agrees to in the Application and which fails to clear.
- 9.5 Principal Cardholder may elect to make payment via bank credit card by submitting to Shell a duly signed and completed application form with the requested information which includes but is not limited to the Principal Cardholder's and/or any Cardholder's personal data such as credit card account details. Any card payment is subject to the bank's approval on a per transaction basis. In the event that any card payment is not approved by the relevant bank, the Principal Cardholder remains liable to pay all amounts owing and shall arrange to effect payment by an alternative mode of payment (i.e. cheque, electronic transfer, etc), within 28 days of the date of relevant invoice/statement from Shell. Any amount owed under this Agreement shall be made directly by the Principal Cardholder to the selected bank card account within the payment term granted by bank. Should Principal Cardholder make any change, terminate or cancel the card payment mode, the Principal Cardholder remains liable to make payment for any amount owed under this Agreement directly to Shell by an alternative mode of payment (i.e. cheque, electronic transfer, etc), within 28 days of the date of relevant invoice/statement from Shell.
- 9.6 The Principal Cardholder represents and warrants to Shell that its payments to Shell shall not constitute the proceeds of crime in contravention of anti-money laundering laws.
- 9.7 Only the Principal Cardholder shall pay the invoice from Shell. No party other than the Principal Cardholder shall pay the invoice without the prior consent of Shell.

10. **Security and Financial Limits**

- 10.1 Shell reserves the right to call for any form of security in respect of Card transactions and any other sums due under this Agreement. The provision of security shall not affect the Principal Cardholder's liability under this Agreement.
- 10.2 If security is not provided on request or expires or ceases to be valid for any reason then, without prejudice to Shell's right to recover all amounts due from the Principal Cardholder, Shell may terminate this Agreement immediately on notification to the Principal Cardholder.
- 10.3 Shell may from time to time impose a change in Velocity Limits.

11. **No Set-Off**

- 11.1 All payments made by the Principal Cardholder or any credits or refunds due to the Principal Cardholder shall be applied first in settlement of any interest due and secondly by Shell in its absolute discretion in reduction of any amount due on any account whatsoever.
- 11.2 To the extent permitted by applicable law, no set off or counter claim shall be made against Shell in respect of a claim by any Cardholder against Shell.

12. **Personal Data**

- 12.1 Principal Cardholder and Shell may in the course of performance of this Agreement provide each other with Personal Data. Any processing of Personal Data will be done in accordance with the terms of this Agreement and applicable data protection laws (applicable laws related to the protection of individuals, the processing of such information, and security requirements for, and the free movement of, such information).

12.2. Shell and Principal Cardholder agree and acknowledge that they will each be independently acting as data controllers in respect of Personal Data processed by each of them. This Agreement does not establish a basis for jointly exercising data controller powers over the relevant Personal Data.

12.5. In processing any Personal Data provided to it by the Principal Cardholder, Shell shall:
